ABOUT THE PRODUCT

The wheel loader is a versatile piece of construction machinery powered by a diesel engine, designed for efficient shoveling, transporting, and unloading of bulk materials such as sand, gravel, coal, earth, construction waste, and more. Thanks to its robust performance and strong adaptability, it is widely used across a range of industries and scenarios, including mining, construction, road building, ports and docks, as well as agricultural production. Whether handling heavy loads on a job site or supporting daily material handling in rural settings, the wheel loader delivers reliable, high-efficiency operation where it's needed most.

Anti-wear reinforced
bucket

Trusted global engine

All-terrain engineering-
grade tires

WHEEL LOADER LOADER SERIES

CS-904

Product model: CS-904

Unloading height: 1600mm

Rated load capacity: 400kg

Bucket width: 1000mm customizable

Engine: Diesel horizontal bar engine

Wheels: 500-12

External dimensions: 2800X1000X1450mm

CS-906

Product model: CS-906

Unloading height: 2000mm customizable

Rated load capacity: 600kg

Bucket width: 1300mm

Engine: Diesel horizontal bar engine

Wheels: 23X8.5-12

External dimensions: 3300X1180X1450mm

CS-907

Product model: CS-907

Unloading height: 2000mm

Rated load capacity: 600kg

Bucket width: 1300mm

Engine: Diesel horizontal bar engine

Wheels: 23X8.5-12

External dimensions: 3500X1200X1450mm

CS-908

Product model: CS-908

Unloading height: 2400mm

Rated load capacity: 800kg

Bucket width: 1300mm customizable

Engine: Diesel horizontal bar engine

Wheels: 750-16

External dimensions: 4600X1300X2000mm

CS-920

Product model: CS-920

Unloading height: 2400mm

Rated load capacity: 1000kg

Bucket width: 1300mm

Engine: Weifang 490

Wheels: 825-16

External dimensions: 4600X1300x2200mm

Product model: CS-920 project model

Unloading height: 2400mm

Rated load capacity: 1000kg

Bucket width: 1300mm

Engine: Weifang 490

Wheels: 825-16

External dimensions: 4600X1300x2450mm

WHEEL LOADER LOADER SERIES

CS-926

Product model: CS-926

Unloading height: 2400mm

Rated load capacity: 1000kg

Bucket width: 1300mm

Engine: Weifang 490

Wheels: 20.5-16

External dimensions: 4600X1500X2450mm

CS-932

Product model: CS-932

Unloading height: 3200mm

Rated load capacity: 1500kg

Bucket width: 1800mm customizable

Engine: Weifang 490

Wheels: 20.5-16

External dimensions: 5400X1800X2750mm

CS-928

Product model: CS-928

Unloading height: 2400mm

Rated load capacity: 1000kg

Bucket width: 1600mm

Engine: Weifang 490

Wheels: 20.5-16

External dimensions: 4600X1600X2450mm

CS-936

Product model: CS-936

Unloading height: 3200mm

Rated load capacity: 1500kg

Bucket width: 1800mm customizable

Engine: Weifang 4102 can be supercharged

Wheels: 20.5-16

External dimensions: 5400X1800X2750mm

CS-930

Product model: CS-930

Unloading height: 3200mm

Rated load capacity: 1500kg

Bucket width: 1800mm customizable

Engine: Weifang 490

Wheels: 20.5-16

External dimensions: 5400X1800X2750mm

WHEEL LOADER LOADER SERIES

CS-946

Product model: CS-946

Unloading height: 3500mm

Rated load capacity: 2000kg

Bucket width: 2000mm customizable

Engine: Weifang 4102 can be supercharged

Wheels: 1670-20

External dimensions: 6000X2000X2850mm

CS-636

Product model: CS-636

Unloading height: 3250mm

Rated load capacity: 3500kg

Bucket width: 2400mm

Engine: Weifang 91kw

Wheels: 17.5-25

External dimensions: 6000X2000X2850mm

CS-630

Product model: CS-630

Unloading height: 3600mm

Rated load capacity: 3000kg

Bucket width: 2400mm

Engine: Weichai

Wheels: 17.5-25

External dimensions: 7300X2400X3150mm

CS-850

Product model: CS-850

Unloading height: 3250mm

Rated load capacity: 5000kg

Bucket width: 2700-3000mm

Engine: Weichai WD10G220E21

Wheels: 23.5-25

External dimensions: 7880X3000X3350mm
